Last Day of Term -

From the Leadership Team

Dear Families

It is hard to believe that we are almost at the end of Week 6 and over the halfway point of the term. We have been blessed with some late warm summer weather, which the children have enjoyed, particularly when spending it in the new playground. Excitement is also building for the completion of the new carpark and land which will be a wonderful addition to our grounds and space to play and enjoy outdoors.

NAPLAN 2024

We are approaching that time of year where our Year 3 and 5 students will soon complete the National Assessment Program Literacy and Numeracy (NAPLAN) testing. These tests will be conducted online (with the exception of Year 3 writing which is a paper test) between 13th - 25th March. Students will complete a Writing, Reading, Conventions of Language and Numeracy assessment during this window. The online tests are adaptive, which means the questions provided to the students change to best suit their individual ability and needs. This type of testing provides a much greater accuracy of what each student's understanding is.

Class teachers have been supporting the students in preparation for these tests by finding the balance of giving them opportunities to explore the nature of the tests and online system and also, by looking at the wellbeing of each child and supporting any anxiety they may be feeling about these tests. This combination of support provides the best balance for students to be able to showcase their understandings and knowledge when taking these assessments.

There is always a lot of discussion about NAPLAN in schools, and while these tests do provide individual and schools-level snapshots of student achievement, it is just one piece of each individual's learning puzzle. The results from these tests, are combined with other information such as evidence of class work, assessments, and other standardised testing to enable us to form a broader and deeper picture of each student's reading, writing, spelling, grammar use and numeracy skills. This helps with the identification of strengths and areas for improvement for each student.

If you would like further information about NAPLAN please see the following website. <https://www.nap.edu.au/naplan/for-parents-carers>

Learning Conversations

During Week 9 you will have the opportunity to meet with your child's teacher for a Learning Conversation. These catchups are an important part of our reporting process with the goal to work collaboratively with you to support your child. These conversations focus on areas of strength that have been identified, current learning goals and any other information that may need to be discussed to best support your child's needs and learning. We strongly encourage you to take this opportunity to meet with your child's teacher. Further information about how to book in a time will be sent home in the coming weeks.

Assessment Rubrics

In support of a continuous reporting cycle to families over the coming weeks you will begin to receive common assessment rubrics from your child's teacher. These rubrics are provided to you to inform you of achievement in several different learning areas. Please take the time to look over these and if you have any questions, please see your child's teacher.

Land Development

The development of the land on Anzac Highway is currently scheduled to be handed over to the school in late March. We look forward to accessing this extra space in the coming weeks.

Bright Ideas

Within this newsletter you will see a new article titled "Bright Ideas". This is an opportunity for you to share any suggestions or ideas you have regarding school improvement. This article will appear throughout the year in each newsletter. Any insights that you share may be discussed at School Advisory Board meetings or you may be contacted personally for follow up.

Bright Ideas

We value your insights and involvement in enhancing our school community. Please share any suggestions or ideas you have regarding school improvement. Your input is crucial in creating a positive and effective learning environment for our students.

Insights may be discussed at future School Advisory Board meetings or you may be contacted personally for further follow up!

Please find link [here](#) for your suggestions.

Catholic Identity

Project Compassion

To fundraise for Caritas Project Compassion, we will be holding a “Walk for Water” drive this month. Students will walk laps within the school grounds with a bottle of water, to experience what it would be like to for children who do this regularly in other countries where access to clean water is not readily available.

Sacramental Program

The Sacramental Program will officially commence with the preparation session for Reconciliation in Week 7, Wednesday 13th March in the school hall.

Ecological Sustainability

Having the Ecological Sustainability Framework is proving to have small and positive changes within our community. It has been a pleasant shift to see less wrappers floating around the school yard as children are putting them directly in the bins or taken home in their lunch boxes. We are grateful for your support in making this happen.

Our Year 4 community have also promoted the importance of considering what to do with items that have reached the end of their use such as paper, food and pens. Each of those items are to be disposed in different ways.

We look forward to witnessing how the Ecological Sustainability Framework will continue to become part of our culture here at St John the Baptist School, and impact beyond our school community.

Statement of Accounts – Instalments due now

School Fee statements were posted out last month, if you did not receive a copy, please email me and I can check the address we have on file and give you a copy. Thank you to all the families who have set up payment authorities or started making payments via Qkr, online or at the office. This is just a friendly reminder that Term 1 instalments are now due and if you wish to obtain the Early Bird discount you will need to pay fees in full by this Friday 8th March (Week 6). The Early Bird discount is calculated at 5% of \$3280 which amounts to \$164 discount, balance owing \$3,116 for one child. If you have more than one child at school, the discount is 5% of the balance owing after sibling discount (eg: for 2 children the discount will be \$296 and the balance owing will be \$5,624).

Other payment options should have already started and are: weekly x 42 payments, fortnightly x 22 payments, monthly x 10 payments so that fees are completed by early Term 4. You can divide your balance by the option you wish to choose and pay by Qkr!, Bpay or via the office. If you wish to set up a direct debit, forms were sent out last year, but it's not too late so please email me for a new one as soon as possible.

School Card

This is for families, single parents, or businesses on a low income of around \$70,994 last financial year. Please follow the links below to apply for the 2024 School Card Scheme. These must be completed each school year:

Form A (Income Assessment)

<https://online.forms.sa.edu.au/content/forms/af/public/application-for-school-card.html>

Form B (hardship, change of circumstances or self-employed)

<https://online.forms.sa.edu.au/content/forms/af/public/form-b-hardship-or-circumstance-or-self-employed.html>

If accepted, this will allow us to reduce your tuition fees to the lower-income fee, so please apply as soon as possible as it can take 4-6 weeks for approval.

If you have any queries or if you are having trouble making payments please email me on accounts@stjohnpl.catholic.edu.au , phone me on 8218 3304 or come in and see me Monday to Friday 8.00am to 4.00pm.

From the Sport Coordinator

We have certainly had Swimming on our minds this week. I would like to pass on a huge congratulations to all of the students who were brave and showed courage to try-out for the SACPSSA Swimming Carnival Team. We took 68 students to the Immanuel Swimming Pool in order for them to trial against the stopwatch. I must thank Megan Pratt (4P) and Sienna Huish (ESO) for their assistance on the day, as well as all of the parents who volunteered their time to organise students, time keep and record event times. It was certainly a very busy day with students having the opportunity to trial in Freestyle, Backstroke and Breaststroke. Our Year 6's even got the opportunity to trial for Butterfly. We have been busy this week sorting through the times with the team to be announced very soon. Once the team is announced, we will get those students the appropriate consent forms and began preparation for the Carnival which is to be held on Tuesday April 2nd.

On Wednesday 6th March we had 17 students represent the school in the Airport District SAPSASA Swimming Trials. It was great to see so many students nominate for the event. After looking over some of the swimming times from earlier in the week, I am excited to hear how the students went. This is certainly a wonderful opportunity for these students and a new experience for some which is fantastic for them as individuals.

Soon our attention will turn to the next carnival, which will be the Glenelg Lacrosse Carnival where students from Years 4-6 will participate.

We have now received the Premiers Be Active Challenge Booklets. We look forward to getting active with this challenge very soon. Once organised, a booklet will be sent home with your child/children.

Just a reminder, if your child competes in any sporting activities outside of the school and has success, we would love to celebrate this as a school. It might be a Grand Final win, State or National Championship or any other accolades. We have so many children doing amazing things, so please email me a photo and a small description if possible.

Keep up the great work everyone.

Yours in Sport,

Sam Putland

Parents & Friends Easter Raffle

Parents & Friends EASTER Raffle

We are excited to be holding our annual Easter Raffle. We invite each family to donate an Easter item towards the Easter raffle. These could include an Easter Egg, Easter items, children's books, Easter craft items or a gold coin donation. We would also appreciate Easter gift bags or baskets to display prizes.

These donations will be gathered into prizes, which will be drawn on Thursday 28th March at 2.20pm Assembly time. To celebrate Easter, we are also inviting students to wear a touch of Easter. This could be bunny ears, a bunny mask, easter socks, easter hat etc...

We invite you to bring along a gold coin donation which will go towards Project Compassion.

Ten tickets will be sent home with each family. If you are unable to sell them, please return to the front office ASAP. If you can sell more tickets, please see Bernadette in the front office.

Please pay for your raffle tickets via Qkr! and return your completed books to school.

In summary:

- 10 Easter raffle tickets (\$1.00/ ticket) will be sent home to each family in Week 6.
- Easter donations to be brought to school during Week 6 – a collection basket will be in each classroom. (Monday 4th March-Friday 8th March).
- Easter raffle tickets need to be returned by Friday 22rd March (Week 8).
- Wear Easter theme item – Thursday 28th March (Week 9). Gold coin donation.
- Easter raffle drawn on Thursday 28th March (Week 9).

Thank you, your generosity is very much appreciated.

A message from your Coordinator

Hello families,

Firstly, I wanted to showcase all the amazing activities the children have been doing over the past few weeks, this includes continuous creating with the plus plus blocks, creating obstacle courses for each other to complete and pull up competitions on the new nature play.

Secondly, bookings are now open for the April Rocketeers period where we will be embarking on a Basketball Frenzy excursion where the children will have a 2-hour clinic with the Adelaide 36ers team and using those skills we've been building with the obstacle courses at OSHC to become a Ninja Warrior at SA Base Camp. So, jump on the app and check out all the activities we will be up to!

Lastly, we value partnership between parents and educators, your involvement plays a crucial role in your child's success at OSHC. Please stay connected with us through regular communication channels so we can help your child to have the most amazing day at OSHC, this can be done through phone 0405 436 293 or on email at sastjohnbaptist@oshccampaustralia.com.au

Thanks, Tate

Volunteering at St Johns

St John the Baptist School provides a safe environment for all while valuing the partnership between school and home.

As a Catholic community, we welcome and value volunteers. To be able to volunteer, and/or attend at other times throughout the school year, we ask that you hold a current Catholic Police Check (parents/caregivers attending excursions, reading in class, helping in class, attending community events), a current Responding to Risks of Harm, Abuse and Neglect in Education and Care for Volunteers certificate and have completed the volunteers application package.

A Catholic Police Check for volunteers is free for our current parents and caregivers. Application Forms are available in our school office.

This process ensures we maintain a child safe environment. To avoid disappointment, we encourage you to apply for a Catholic Police Check through the school office as soon as possible.

If you have any questions, please do not hesitate to contact us at the school office on 8218 3300 or email Francis Schulz on fschulz@stjohnpl.catholic.edu.au .
