## From the Leadership Team

Dear Families

### **NAIDOC Week**

This week we celebrate NAIDOC Week where we recognise the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. Classes across the school will take this opportunity to participate in activities and learn about First Nations cultures and histories.

### **Term 3 New Students**

We look forward to welcoming 15 new students to the school as part of the mid year Reception intake. Many of these children have been involved in the Little JB's Transition program throughout this term and have become increasingly familiar with the school and its associated routines. We will ensure an official welcome and introduction to our school community occurs for the children at our first assembly in Term 3.

### **Staffing News**

Sylvia Roussos will commence her maternity leave at the beginning of Term 3. Melissa Gatto, a teacher familiar to the Year 6 cohort and the school has been employed to replace Sylvia for Terms 3 and 4 of this year.

Grantley Crawford, the Work Health and Safety Coordinator has retired from his role at the school. Michael (Mick) Grandey has been employed in the Work Health and Safety Coordinator role and will commence at the beginning of Term 3. Mick is also employed at Our Lady of Grace School, Glengowrie in the same role.

We look forward to Melissa and Mick's contribution to the school community from the beginning of next term.

### **Class Assemblies**

During this term we commenced school assemblies once more, but they have been led largely by a member of the Leadership Team. From the beginning of Term 3, classes will again lead assemblies and parents are most welcome to attend. Assemblies run on Tuesday afternoons from 2:20-3:00pm. Your child's classroom teacher will communicate with families when it is their turn to lead an assembly.

### **P and F Disco**

Thank you to the Parents and Friends for their coordination and organisation of the discos for the students last Friday evening. The children (and some staff) were very excited and enjoyed the opportunity to show off their dancing skills. A great community event!

### **Principal's Tour**

Our next Principal's Tour will be held on Saturday 30th July from 2:00-3:00pm. We warmly encourage prospective families to come along and experience the opportunities that St John the Baptist Catholic School has to offer. Please register your interest via the school website [www.stjohnpl.catholic.edu.au](http://www.stjohnpl.catholic.edu.au).

### **School Fees 2023**

We are pleased to inform you that there will be no increase in school fees for the 2023 school year. The Term 3 Reception intake shall continue to be offered to families free of charge. This is great news as we continue to support families at a time when they are being impacted by cost of living rises.

### **2021 Annual School Performance Report**

Each year schools are required to prepare a report for their parents and community, as a requirement of the School Assistance Act. We wish to advise that the Annual School Performance Report is now available on the school website. Hard copies are also available from

the office on request.

As this is the final newsletter for Term 2, we would like to thank everyone for their support during this term. Students will conclude the term on Friday 8th July at 3:00pm and we look forward to welcoming all students back to school for Term 3 on Monday 25th July.

Enjoy a restful term break!

Best Wishes

**The Leadership Team - Todd LaForgia, Jo Livingstone, Amanda Razon & Michael Cimarosti**

## Catholic Identity

### **NAIDOC Week 3-10 July**

This week we recognise Aboriginal and Torres Strait Islander's historical and cultural significance in our country. During this week, we take time to intentionally grow and learn more about different communities within their culture and to appreciate the richness of their tradition, knowledge and heritage.

### **Vinnies Winter Appeal**

A big thank you to everyone for all their contributions to the Vinnies Winter Appeal this year. The drive was a huge success as we collected and packed many boxes full of canned goods, cereals and other long-life food. The money from the bake sale was also gratefully received by the team at St. Vincent de Paul. All the donations and proceeds will be a great support to the vulnerable in our society and our contributions make a big difference.

### **St. John the Baptist Feast Day**

Another note of thanks to those who joined us in celebrating the feast day Mass of St. John the Baptist. We were blessed to have a great turn out weather-wise but also to celebrate our patron Saint and our school-parish community. It was our first whole-school Mass for the year and a special one at that, as we acknowledged the significant number of years of service that staff had given to our school. The children also enjoyed a buddy activity after lunch as they created locust/ grasshopper pegs and a party bag with St. John the Baptist-style themed treats!

### **Faith Facts**

Have you ever wondered... what is a Parish Priest? Click [here](#) to learn more!

A last note to say thank you for the continued support you provide this community, we've made it through another packed term. I hope you and your families have a restful break and come back refreshed and ready for Term 3.

# Playgroup

We have enjoyed another wonderful term of hosting playgroup. We have watched our little people grow, learn and play. We continue to welcome new families to our community. This term we have enjoyed having our year 5 students join us for playgroup each week. This has been a fantastic opportunity for the year 5s as well as the playgroup children who look forward to seeing them each week. The coffee van has been a success with our families coming in from the cold for a warm place to play and enjoy a hot drink. We will be hosting our end of term morning tea in week 10 and we look forward to another fun filled term 3.

## From the Counsellor

I read an important post on FaceBook (FB) about changes to SnapChat today and feel it's really important for parents to be aware, from both a safety perspective but also from a mental health perspective for children.

There is a website called Safe On Social which is fantastic, and their FB page has a lot of great posts. Parents can sign up to a newsletter to keep abreast of the current cyber space issues that impact children (and adults alike). Today's post about SnapChat talks about changes to their policies which will allow ANYONE to see where you are currently located, to the point of showing your actual house via Google Earth.

Social Media and other messaging platforms can cause serious mental distress amongst children, if they are allowed full access to the apps. By signing up to Safe On Social's newsletter, you will be able to make appropriate decisions for the safety of your children, in terms of people being able to find your child, but also for the mental health of your young ones. Imagine your child was not invited to a party and they found out through SnapChat that their friends are all staying over at another friends house. These situations are very common and cause lots of issues related to lack of self-confidence, feelings of not being 'good enough', self-blame or self-hatred among a myriad of other feelings. Depending on a child's resilience to these kinds of situations, their ability to cope with a situation like this could be very upsetting for them, causing mental health and wellbeing concerns over time.

Here is a link to their website which will bring up their newsletter sign-up box.

[https://www.safeonsocial.com/?fbclid=IwAR2m0dOgr\\_sWqkLvGA\\_YIO2pXWS2goUd79TE8QyIq-NCIX4kTh85EJyp6U](https://www.safeonsocial.com/?fbclid=IwAR2m0dOgr_sWqkLvGA_YIO2pXWS2goUd79TE8QyIq-NCIX4kTh85EJyp6U)

Here is a copy of the post about SnapChat written by the founder of Safe On Social - Kirra Pendergast - in case you are not on Facebook, there are images attached so you can see exactly what can be seen on SnapChat regarding locations and how easy it is to find a person:

*I opened Snapchat this morning to see a notification that they are updating their privacy policy....something I can 100% guarantee your kids won't look at. Except for a new feature that they may use as it gives them more access to their friends.*

*The changes that concern me greatly are:*

*How they have updated how they display data for certain products; for example, how recent locations may be shown to your friends on the Map. (literally showing where you sleep at night).*

*How they will share how close you are with your friends on Snapchat based on your interactions with them. (Remember being a teenager and the need to be liked by everyone? This may have implications on a young persons mental health)*

*They may communicate with users via SMS (actively using phone numbers for marketing)*

*Take a look at the images I have shared below to get an idea of what you are dealing with:*

*My location asking me to enable a precise location*

*My precise location when you zoom in high resolution*

*Oh, and those blue dots on the map are a heat map and yes I have just been shown by clicking on it and zooming in the precise location of a little boy, well under the age of 13yrs, dancing less than 5kms from my home and I can see his exact address. Clearly, it was filmed by a parent in their bedroom.*

*It is 2022 as far as I am concerned parents no longer have the excuse "I don't use Snapchat" you need to get your head around it right now. Not to stop your kids from using it, but to teach them how to use it better, so you know what to do if something goes wrong. You gave them their devices, you allowed the apps. You effectively gave them the keys to the car and let them drive off down the highway with no lessons. But don't panic! We are here to fast-track your education for you. I will virtually hold your hand.*

*I cannot stress how important it is to secure the Map function - I will be writing a how-to about that today and a whole stack of things parents need to know and I will mail it out to our mailing list by the end of the week as there is too much to write about here. You can sign up at [www.safeonsocial.com](http://www.safeonsocial.com)*

## Volunteering at St Johns

St John the Baptist School provides a safe environment for all while valuing the partnership between school and home.

As a Catholic community, we welcome and value volunteers. To be able to volunteer, and/or attend at other times throughout the school year, we ask that you hold a current Catholic Police Check (parents/caregivers attending excursions, reading in class, helping in class, attending community events), a current Responding to Risks of Harm, Abuse and Neglect in Education and Care for Volunteers certificate, have completed the volunteers application package and your COVID vaccination certificate.

A Catholic Police Check for volunteers is free for our current parents and caregivers. Application Forms are available in our school office.

This process ensures we maintain a child safe environment. To avoid disappointment, we encourage you to apply for a Catholic Police Check through the school office as soon as possible.

If you have any questions, please do not hesitate to contact us at the school office on 8218 3300.

## A message from your Coordinator

Our routines have been working well to strengthen meaningful relationships with children, parents, and the staff within our groups. However, we are open to any suggestion you may have to improve the service. Thanks to all who provided us consent for their children's outdoor active play following afternoon tea, we respect your say and continue the practice. We are also seeking permission from the parents to share personal information for the purpose of the Inclusion Support Plan. Homework Club is running well, please keep encouraging your child to join this club. Staff extend a very warm welcome to Rowan, Patrick, Vihaan who joined our OSHC family recently.

Waiting for an Extraordinary Holiday Adventure in July 2022. Rocketeers is a space for children to escape the ordinary and experience the extraordinary during their school holidays. This is a new mission for your child to embark upon. Directed by the children, informed by family feedback, and designed by dedicated CA crew - no two days are the same with Rocketeers, with each day of the mission encountering new and exciting adventures that children love. To attend, your child doesn't need to be a student at St John the Baptist Catholic School we operate. Visit [www.campaustralia.com.au](http://www.campaustralia.com.au) to find a Rocketeers detail with location.

Kind reminder for the pickup and drop off routines at the gate on Elizabeth Ave; if you don't hear us on ringing the doorbell, please call us on 0405436293, you will be attended promptly, press the gate on right side to open after confirmation. Please allow us a few extra seconds to get to you in case of any issue. Reminder for the parents who have children with a medical condition; please ensure you have supplied the updated medication plan and let me know. This allows us to follow the correct procedures to keep your child safe. If your child is going to be absent for a booked session, please contact Customer Care or the service to let us know, this ensures we are not chasing you to locate your child/ren. Our service operates in the mornings from 7am to 8:30am, breakfast is offered to children until 8am, and 3pm until 6pm when we offer the children two snacks. PLEASE ENSURE YOUR CHILD IS PICKED UP BEFORE 6PM TO AVOID LATE FEES.
