## From the Leadership Team

Dear Families

### Staffing News

Teresa Mori has been successful in attaining a position in the disability sector and will be finishing up at our school today. Teresa has been a staff member at St John the Baptist Catholic School since 2018 and in that time has positively impacted the learning and wellbeing outcomes of many children across the school. The children farewelled Teresa at our assembly on Tuesday afternoon. We wish Teresa all the best for her future endeavours. She will certainly be missed!

### School Discos - Thank you

Thank you to the Parents and Friends who worked closely with our Deputy Principal, Jo Livingstone, to coordinate and organise the two discos for the children last Friday evening. The children (and some staff) were very excited and enjoyed the opportunity to show off their dancing skills. We wish to also acknowledge the staff present and the many parent volunteers. A great community event!

## School Performance Report

Each year schools are required to prepare a report for their parents and community, as a requirement of the School Assistance Act. We wish to advise that the Annual School Performance Report is now available on the school website. Hard copies are also available from the office on request.

## Building Opening

As previously communicated, the official opening of the new building is to occur on Tuesday 1st August at 10:00am (Week 2 of Term 3). The official Opening and Blessing will be presided over by Archbishop O'Regan and the plaque will be unveiled by Blair Boyer, MP- Minister for Education, Training and Skills. This is a significant celebration for the school community. Parents are most welcome to attend and join this special occasion.

Grandparent's/Special Persons morning was originally scheduled for the same week (Friday 4th August). However, due to the opening of the new building, a new format to welcome grandparent's/special persons into the school will be devised and communicated to the school community in due course.

## Cyber Safety Presentation

Following on from last weeks Cyber Safety presentation by Senior Constable Matt Robinson the information below is provided to support families as they navigate the digital world and assist parents in keeping their children safe online.

We live in a highly connected world and Australian children are spending more time online than ever before. Students' online experiences play a significant role in their social and emotional development and they need ongoing support to help them care for themselves and others in the online environment. Cyber safety education is essential for reducing the risks, building resilience and creating more positive online experiences. These skills and knowledge are explicitly taught from Reception to Year 6 and supported by the Australian Curriculum. Parents also play an important role in supporting positive and safe behaviour in the online world.

Below are some simple steps and websites that offer practical and easy strategies, families can implement to support childrens' safe digital experiences.

## Advice for parents and carers

- Keep the computer or device in an area of your home that can be supervised. And check in regularly with your child to see what they are viewing.
- Stay engaged with their online activity. Consider setting up your own accounts with the sites they use most so you can see how they work and understand the risks.
- Explore the online world with them to help establish that this is not just a solitary activity. Play games with them. Do a creative project together.
- Think about social media readiness. Most social media sites require users to be at least 13 years of age before they can register, although some sites are created especially for children under 13.
- Encourage respect and empathy. Teach them to avoid sharing or posting things that may upset others.
- Be aware of any social media posts that identify a student's school including their school uniform and school emblem or logo.
- Start building resilience. Teach your child that there are ways they can deal with material that worries or frightens them. This includes immediately telling you or another trusted adult of any concerns or uncomfortable material.
- Be clear about how much time they can spend online, the apps they can use, the websites they can visit and what they can share or post online.
- Ensure your own devices are protected by a password or pin, so your child cannot accidentally come across inappropriate content.
- Use parental control tools appropriate for the age and experience of your child. Be upfront and get your child on board. Let them know that these can be reviewed and changed as they get older and they continue to demonstrate responsible behaviour.

One App that many children may use or ask parents to access is TIKTOK. Below is information that may be helpful.

### TikTok

Users must be over 13 years of age to use TikTok. Some of the videos on TikTok may contain explicit language and sexual imagery, which may not be suitable for your child to view and there is also the risk of strangers contacting your child. If your child is using TikTok then ensure the appropriate security/privacy settings are on.

It is recommended to set the account as private (this is the default setting for users under 16 since Jan 2021). Even with a private account, your child's profile information such as their photo are still visible so ensure your child understands the importance of not adding personal information (e.g. location, age and phone numbers) to this area. This article explains how you can strengthen your privacy settings and what features are turned off by default for accounts for children aged 13 – 15:

<https://newsroom.tiktok.com/enus/strengthening-privacy-and-safety-foryouth>

#### Family Pairing

This allows you to link your own account to your child's account. You can then set controls such as restricted mode (limit the appearance of inappropriate content) and screen time management. You can find out more here: <https://www.tiktok.com/safety/en/guardians-guide/>

#### Blocking and Reporting

Ensure your child knows how to use these features. **Bullying on TikTok** Make sure your child knows that help is always available. This article makes suggestions on appropriate settings as well as how to deal with bullying: <https://www.tiktok.com/safety/ensg/bullying-prevention/>

Best Wishes

### **St John the Baptist Feast Day**

On Monday 26<sup>th</sup> June we will celebrate the Nativity of St John the Baptist (his actual feast day is on Saturday 24<sup>th</sup> June) as a community. St John the Baptist has a special place in our school, not only because we are named after him but also because of his example. St John the Baptist led by his humility and courage in the way he lived and by speaking the truth. Although St John the Baptist attracted many disciples, he still directed others to follow Jesus.

We honour him on his birthday and celebrate this occasion as a community. This special day will include a whole school Mass in the church at 12pm followed by Buddy activities after lunch.

### **Beanies for Vinnies**

Next Tuesday 27<sup>th</sup> June is Beanies for Vinnies day. Each student is invited to wear a beanie to school and bring in their donation to Vinnies.

- Reception: Cans of fruit
- Year 1: Cans of long-life food
- Year 2: Breakfast cereals
- Year 3: Long life milk
- Year 4: Rice
- Year 5: Pasta
- Year 6: Cooking oil

We thank everyone for their generosity and support.

### **Poster Making Session**

The children from the Sacramental Program will have a Poster Making session on Wednesday 5<sup>th</sup> July and this will be held in the hall. This session is an opportunity for the children to research the saint that they will choose for Confirmation.

Children are encouraged to choose a saint that they feel most drawn to so they can have them as an example in striving to live a holy life.

Tuesday 27th June, Week 9

Wear your beanie to school  
& bring in a donation for Vinnies

Each year our school participates in various initiatives to give back to the community. This term we will be supporting the Vinnies Winter Appeal and focus on donating long life foods by holding a ***Beanies for Vinnies Day***.

On **Tuesday 27<sup>th</sup> June, Week 9** students are invited to wear a beanie and bring in their item of donation. Our Social Justice Leaders will be visiting each class this week to inform classes of this event.

Each year level has a specific item to donate:

- **Reception: Cans of fruit**
- **Year 1: Cans of long-life food**
- **Year 2: Breakfast cereals**
- **Year 3: Long life milk**
- **Year 4: Rice**
- **Year 5: Pasta**
- **Year 6: Cooking oil**

Thank you for supporting a worthy cause!

## From the Counsellor

### Grief

Explaining grief to children in the aftermath of the loss of a loved one is really challenging. Not only are we dealing with our own feelings, we have to then try to help our children navigate the changes that are happening and what the future might look like.

Grief isn't just about losing a loved one though, grief can be related to the loss of a friendship, a home, parent separation, moving interstate or overseas, changing schools. Any situation that involves loss of some kind can cause grief. Grief is a normal part of life, during times of loss, and it needs to be acknowledged and supported.

A short story, written by Doris Stickney in the late 1970's uses Waterbugs and Dragonflies as a metaphor for explaining what happens after death in a child friendly way. Elements of this story can also be used to assist children in understanding the concept of loss and big changes in their life. The story can be found [here](#).

## Volunteering at St Johns

St John the Baptist School provides a safe environment for all while valuing the partnership between school and home.

As a Catholic community, we welcome and value volunteers. To be able to volunteer, and/or attend at other times throughout the school year, we ask that you hold a current Catholic Police Check (parents/caregivers attending excursions, reading in class, helping in class, attending community events), a current Responding to Risks of Harm, Abuse and Neglect in Education and Care for Volunteers certificate, have completed the volunteers application package and your COVID vaccination certificate.

A Catholic Police Check for volunteers is free for our current parents and caregivers. Application Forms are available in our school office.

This process ensures we maintain a child safe environment. To avoid disappointment, we encourage you to apply for a Catholic Police Check through the school office as soon as possible.

If you have any questions, please do not hesitate to contact us at the school office on 8218 3300 or email Francis Schulz on [fschulz@stjohnpl.catholic.edu.au](mailto:fschulz@stjohnpl.catholic.edu.au) .
