From the Leadership Team

Dear Families

Welcome to Term 3

On Tuesday 23rd July we welcomed 22 new students to the school as part of the mid year Reception intake. We are thrilled to have the children join us and become a part of our school community. We look forward to their exciting journey of discovery and development.

We also welcomed Sheyana (RK), Maya (RBR), Raphael (3BM) and Shonnel (5G) into the school. It is great to have you all here!

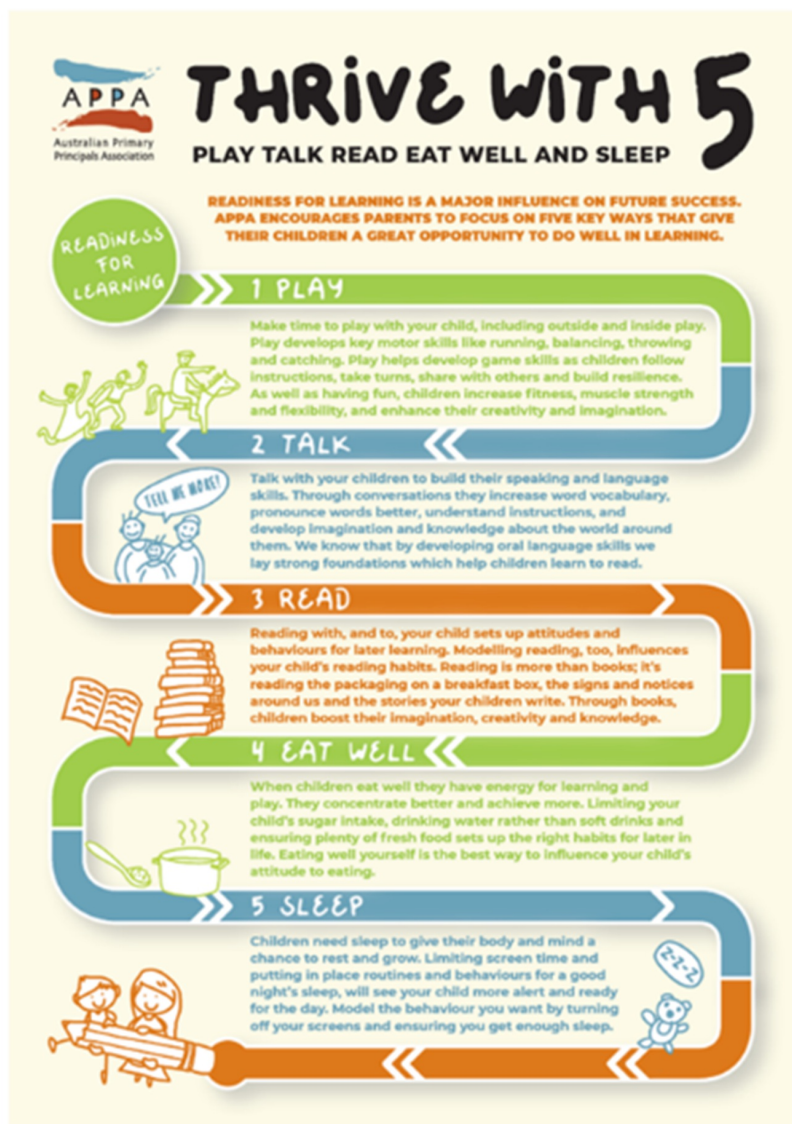

Unlocking a Bright Future: The Power of the First 1000 Days

The Australian Primary Principals' Association (APPA) is committed to supporting families in ensuring every child has the best start in life. They have partnered with leading paediatrician Prof Frank Oberklaid of The Murdoch Children's Research Institute to produce the *Thrive with Five* paper.

In the first 1000 days of a child's life, their brain grows really fast. Every time they see, hear, or touch something, it helps their brain make new connections. Eating healthy food and getting good sleep are very important because they help the child grow strong. When parents show love and care, it helps the child feel safe and learn to trust others. Playing and exploring help children learn to talk and become curious, which makes learning easier as they get older.

Families benefit from a supportive community, ensuring both they and the child thrive. Our school is part of a supportive community, and we want to partner with families to shape a lifetime of benefits for every child.

In each newsletter this term, we will share information about the important five: *play, talk, read, eat well and sleep*.

Live Learn Lead Survey

Once again this year, the school will conduct the Living Learning Learning Surveys to examine the understanding of the vision and extent to which CESA's Living Learning Leading Framework is taking place in schools: staff, student and family perceptions.

The surveys will be based around 4 components -

- Catholic Identity
- Curriculum
- Student agency, identity, learning and leadership
- Community engagement

Data from the surveys will assist the school to develop plans for improvement.

The survey suite consists of:

- Student Survey - Years 2 - 6
- Parent and Caregivers Survey
- Staff survey

You can access the Parent and Caregiver survey at the following link:

www.NSIPartnerships.com.au

To respond the LLL Parent and Caregiver Survey at St John The Baptist Catholic School, Plympton in 2024 go to www.NSIPartnerships.com.au and enter the code SJTBCSPLLLP in the 'Start Questionnaire' field

Feast of St Mary of the Cross MacKillop

On Thursday 8th August we will celebrate as a whole school community, the Feast of St Mary of the Cross MacKillop. A whole school liturgy will be held in the Hall at 9:10am and all are welcome to attend.

At this special occasion we acknowledge Mary's impact through the Sisters of St Joseph, the religious order founded by Mary and who were instrumental in establishing our school as it stands today.

Best wishes,

Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact Jo Livingstone, Deputy Principal. ilivingstone@stjohnpl.catholic.edu.au

Sacramental Program

Candidates involved in this year's Sacramental program will celebrate their Holy Communion and Confirmation on Sunday 18th August at the 10am Mass.

Their final session: Pizza and Poster making will be held in the hall at 6pm, followed by rehearsal in the church, on Wednesday 7th August.

Recycling Markers & Pens

As you may be aware, we are continually improving our practice of being a more ecologically sustainable school. This term, our Year 6 Justice and Mission Leaders will be recycling any old/empty pens and markers. They will be visiting classrooms each week for collection. These will be recycled through Officeworks. If you have any markers and pens that have run out of ink, please feel free to send them to school with your child to also be recycled.

We look forward to taking more conscious steps towards sustainability!

Mass

Each year level will join the parish Mass at 9.30am on Wednesday mornings across the term. Parents are welcome to attend and join the small morning tea at the conclusion of Mass.

Mary MacKillop Feast Day

As a Josephite school, we will celebrate Mary MacKillop's Feast Day on the 8th August with a liturgy and classroom activities.

Feast of the Assumption

The Feast of Mary's Assumption is a holy day of obligation, where Catholics are called to set apart time to attend Mass. Our school will be joining the parish for the 9.30am Mass. Families are most welcome to attend.

From the Sport Coordinator

Dear St John's Community

Welcome back to Term 3, how wonderful has the weather been for us all this week.

Here at SJBCS this week we successfully ran trials for the upcoming SACPSSA Cross Country Carnival. It was very pleasing to see many students put their Run Club training to good use, producing some very pleasing times. From these trials I was able to group students into their appropriate divisions. It was very pleasing to see many students run times that placed them directly into Division A. We look forward to taking 77 eager runners next Wednesday to East Parklands to represent our school.

For our R-4 Parents and those that signed their children up for Auskick, we will be starting these sessions this coming Monday August 5th here at school from 3:30pm – 4:15pm. We are aware that there are some families that would like their child/ren to be involved with Auskick, but have their child/ren booked into OSHC. I am more than happy for these students to be involved in the Auskick. For this to occur you must first register your child/ren with Auskick, then email me regarding them being in OSHC. I will then confirm this with you via email and will happily sign them out of OSHC, be present during the Auskick Session and then will sign them back into OSHC at the conclusion of the session. We look forward to these sessions beginning.

Please be reminded that now is good time to be returning those Premier's Be Active Challenge Booklets. If you still have yours hidden somewhere at home, please find it and have them returned to your child's class teacher. If any students are new to the school, you have 4 weeks to complete the challenge.

This week we congratulate Ethan Beresford for competing in the 2024 Pool Lifesaving State Titles. As you can see from the photo Ethan had a very successful meet. He was able to secure State Title wins in the Rope Throw, as well as the Tube Tow category. State Titles are sometimes very hard to come by. We at SJBCS congratulate Ethan for winning two during the same weekend. Please remember if your child is achieving outstanding results in community sport, please email me this information so that we can celebrate together.

Enjoy this magnificent weather.

Yours in Sport,

Sam Putland

Volunteering at St Johns

St John the Baptist School provides a safe environment for all while valuing the partnership between school and home.

As a Catholic community, we welcome and value volunteers. To be able to volunteer, and/or attend at other times throughout the school year, we ask that you hold a current Catholic Police Check (parents/caregivers attending excursions, reading in class, helping in class, attending community events), a current Responding to Risks of Harm, Abuse and Neglect in Education and Care for Volunteers certificate and have completed the volunteers application package.

A Catholic Police Check for volunteers is free for our current parents and caregivers. Application Forms are available in our school office.

This process ensures we maintain a child safe environment. To avoid disappointment, we encourage you to apply for a Catholic Police Check through the school office as soon as possible.

If you have any questions, please do not hesitate to contact us at the school office on 8218 3300 or email Julia Roy on jroy@stjohnpl.catholic.edu.au .

VOLUNTEER CLEARANCE RENEWALS

If you are due to renew your Working With Children Check and your Catholic Police Clearance this year, please note that there is a high volume of renewals due. To avoid disappointment it is advisable to do your renewal earlier as there is currently a delay in processing them.

Thank you for your anticipated support.

RRHAN-EC

Responding to Risks of Harm, Abuse and Neglect – Education and Care

The updated RRHAN-EC courses were released on plink on Monday 29 April 2024 and, for most of us, completion of the online update will need to be done before 31 December 2024 when our current certificate expires. You need to complete the new RRHAN-EC online update unless you already have a current certificate with an expiry date of 31 December 2027.

To access the online update please use this [link](#) to login as 'Non Department for Education staff login' OR if you don't already have a plink login, register [here](#).

If your RRHAN-EC has already expired or you are new to education, please refer to the following guide which will help you to determine which course you need to do.

Which course is right for you?

My certificate expires on 31 December 2024 – do the online update only (takes about 2 hours).

My certificate is expired – start with the fundamentals. If you also work directly with children and young people, do the masterclass after you've finished the fundamentals course.

Bright Ideas

We value your insights and involvement in enhancing our school community. Please share any suggestions or ideas you have regarding school improvement. Your input is crucial in creating a positive and effective learning environment for our students.

We're raising the tram line over Morphett Road to get traffic moving

We are pleased to confirm the Australian and South Australian governments are jointly (50:50) funding \$200 million to remove the level crossing where the Glenelg tram line crosses Morphett Road, Morphettville.

This project will be delivered by the Tram Grade Separation Projects Alliance who is also removing the level crossings at Marion Road and Cross Road, Plympton and rebuilding the South Road Tram Overpass to accommodate the River Torrens to Darlington Project.

We've worked hard to co-ordinate activities to remove the three level crossings and rebuild the South Road Tram Overpass at the same time. This means we can make the most of the temporary closure of the Glenelg tram line in the second half of 2025 and reduce the impacts on local residents, businesses, road and public transport users.

Site investigations to inform planning are underway. Major construction will start in early 2025 and the level crossing will be removed by the end of 2025.

Removing another congested level crossing making your journey safer and more reliable

No more waiting at busy boom gates that are down up to 16 minutes in peak times

Quicker and safer trips for drivers and pedestrians

Smoother and safer journeys for cyclists, avoiding busy roads

Tram line temporary closure

To fast-track construction and reduce impacts on residents, businesses, road and public transport users, we will be temporarily closing the Glenelg tram line.

We have co-ordinated activities so we can complete works at all four locations during the closure period.

The tram line closure will start in the second half of 2025. We will have the tram line ready for testing and commissioning late 2025 with services scheduled to resume late January 2026 in time for the return of school.

While the tram line is closed, trams will still operate from the Entertainment Centre through the City to the existing South Terrace Tram Stop. Services between the Entertainment Centre and Botanic Gardens will also continue.

Substitute buses will be in place during this time to service the remaining tram network between South Terrace and Glenelg.
