From the Leadership Team

Dear Families

Welcome

Welcome back to school for Term 4! We hope you had a restful break and are ready to dive into the final term of the year. This term promises to be filled with exciting learning opportunities, engaging activities, and memorable experiences. Let's make the most of these last few months, work hard, and finish the year strong.

School Fees

We are pleased to inform you that school tuition fees will remain the same for the 2025 school year. There will be no fee increase, ensuring that our commitment to providing quality education remains accessible to all families.

The Term 3 2025 mid year Reception intake shall again be offered to families free of charge - no tuition fees for the first six months.

At any time, if any family has a change of circumstance regarding finances, we ask that you contact our Finance Officer, Jodie Veldhoen to confidentially discuss additional support.

Sports Day

Thank you to everyone in the community for making the annual Sports Day held last Friday a resounding success, despite the less than ideal weather. Your unwavering support and enthusiasm truly made a difference. Such a day is certainly not possible without the team effort of all! We would particularly like to thank the parents who volunteered their time to assist on the day. We also wish to acknowledge the efforts of Sam Putland for his work in ensuring the program ran smoothly.

We congratulate Tenison (Blue Team) on their victory and Mackillop (Red Team) for winning the Spirit Award. All teams were ably led by their House leaders.

Finally, a big thank you to all staff and students for their participation, which contributed to a successful day and a great sense of community.

Arch D Podcasting Awards

As you may be aware our Year 6 students have once again been involved in the Arch D Podcasting initiative. Each student was placed in a team and the children developed a podcast which is now uploaded to the 'School Life' podcast channel on Spotify, Apple Podcasts and iHeart Radio.

Every year, Arch D Radio and Podcasting celebrates outstanding achievement by Catholic school students at the Arch D Awards in November. With so many schools and students involved, we are pleased to announce that students from St John the Baptist Catholic School have again been nominated in award categories for Primary schools. Congratulations and good luck to the following:

Podcaster of the Year (Primary) - Koah

This is an award for a student that demonstrated leadership within their podcasting community, elevating the quality of both their own and other's podcast work to the highest standard.

Most Creative Podcast (Primary) - Maddy, Allyn and Elliott

This award recognises the most entertaining episode that went 'outside the box' in terms of ideas, script, structure, interviewing or storytelling.

Student Voice (Primary) - Eddie

This award recognises students who have stepped out of their comfort zone and made a big positive impact on their group's podcast.

Podcast Artwork of the Year (Primary) - Koah, Japreet, Sasha and Rayna

This award recognises creativity, attention to detail and an understanding of the way podcast artwork attracts listeners.

Class Placements 2025

We are currently planning for the 2025 school year, which includes class placements. Should you have any academic or social considerations (not teacher preference, as often there will be changes to teaching structures and personnel) which you think we need to take into consideration before placing your child into a class, please send an email to Kylie on kmcbride@stjohnpl.catholic.edu.au prior to Monday 28th October at 9am.

When an email is received, you will get a confirmation of receipt of email from Kylie. If you do not receive an email within 48 hours, please make contact again.

Over the coming weeks, the students will be given an opportunity to provide some names of students who they learn well with in the classroom. Students will be guaranteed one peer from their nomination list. This, along with the needs of all students will be considered when staff work together to form classes for the new year.

It is beneficial to provide information to the school at this planning stage prior to Monday 28th October and far easier to accommodate considerations than once the classes have been formed. The class placement process is new each year. Please do not assume the school is aware of previous or past considerations. If you would like the school to consider information this year, please send it through.

Volunteer RRHAN-EC Requirements

Please be reminded to complete the updated RRHAN-EC course in order to keep volunteering. The completion of the online update will need to be before the 31st December 2024. Please refer to details later in the newsletter.

We thank you for your continued support.

Best Wishes

Buddy Mass

This term the Buddy classes will join the parish for 9.30 Mass on Wednesday morning until Week 5, as per Term 4 calendar. Parents and family are more than welcome to join for your child/ren's Mass.

All Saints Day & All Souls Day

In the Catholic calendar, November is the month for remembering. On the first and second day of November, the Catholic Church observes two feast days. November 1st is All Saints Day; this is when we remember the holy men and women that the Church recognises as living extraordinary lives. The following day is All Souls when we remember all our deceased relatives and friends. As a school, students will have the opportunity to partake in a class liturgy to remember these special occasions.

From the Sport Coordinator

Dear St John's Community,

I would like to officially start this weeks newsletter piece by congratulating all of the students on their outstanding efforts during our recent Sports Day which was held at the SA Athletics Stadium. Although the weather wasn't 100% on our side, our students didn't let this dampen their spirits by playing out the day to the best of their abilities. It was so very pleasing to see the smiles on the faces of all students as they competed throughout the day and enjoyed the different aspects of the day. Thanks must go to all of the teachers for their amazing support, all of the parents/guardians for assisting, all of the wonderful individuals who offered to volunteer and of course our well behaved, passionate and motivated students. Congratulations to Tenison for winning the Sports Trophy on the day and congratulations also to MacKillop who worked so very hard and won the House Spirit Trophy.

This week we have had 3 enthusiastic footballers represent our school at the 2024 SAPSASA Division 1 Girls Football Carnival. Congratulations to Eloise Sadler, Mikayla Croxton and Danica Croxton who have played tirelessly. I am pleased to announce that this team actually went through the competition undefeated. Well done to the girls who played so well together to achieve this feat.

I am very pleased to report that our 'After School Sports' are underway for this term. Well done to all of our R-2 Tee-Ball Players who commenced their program on Saturday 19th October. On top of this we have been able to enter 4 teams for Basketball at Wayville Stadium. These opportunities just don't exist without the full support of our amazing parents who have volunteered their time to either Mentor or Manage teams. If you see a Mentor or a Manager at a game, please find the time to thank them and let them know that they are doing a great job.

Physical Education Week will be occurring from 11th November – 15th November. As a school in celebration of this week the students will all be asked to wear their PE uniform on Tuesday 12th November. Throughout the day, classes will be able to come out onto the oval and together be involved in some additional Physical Activity tasks. Once back in the classroom there will be a Q and A regarding a number of sports. We look forward to celebrating this exciting week together on Tuesday 12th November.

Now that our own Sports Day has concluded, our attention in the PE department is now focussed on the upcoming SACPSSA Athletics Carnival. On Friday 1st November we will be taking 48 students back to SA Athletics Stadium to compete in this carnival against 7 other schools. Information has been sent home to the families that have students involved in this. Well done to everyone who has made the team and I look forward to another great day together representing St John the Baptist School.

5. SLEEP

Children need sleep to give their body and mind a chance to rest and grow. Limiting screen time and putting in place routines and behaviours for a good night's sleep, will see your child more alert and ready for the day. Model the behaviour you want by turning off your screens and ensuring you get enough sleep.

5. SLEEP

READINESS FOR LEARNING

Australian Primary Principals Association

Good sleep has great benefits!

Sleep is like magic for babies and children! It:

- **Restores Energy:** Sleep helps kids feel strong and ready for the day ahead. It's like recharging their batteries!
- **Boosts Learning:** When babies and children sleep, their brains get supercharged, helping them remember things better and learn new stuff faster.
- **Keeps Them Healthy:** Sleep makes their bodies strong and helps fight off germs and illness. It's like putting on a superhero suit for their immune system!
- **Helps Them Grow:** Did you know that children grow when they sleep? It's true! Their bodies make a special growth hormone while they snooze.

Children Need Different Sleep at Different Ages:

- Babies need lots of sleep because they're growing super-fast.
- As children get older, they need a bit less sleep, but it's still super important.
- Sleep changes as kids grow too! Babies sleep a lot during the day, but as they get bigger, they snooze more at night like grown-

ups.

How much sleep? At [Raisingchildren.net.au](https://raisingchildren.net.au) we learn that:

- Newborns sleep on and off during the day and night. They sleep for 14-17 hours in every 24 hours.
- Babies 3-6 months usually sleep for 12-15 hours in every 24 hours.
- Toddlers need 11-14 hours of sleep every 24 hours. Usually this is a sleep of 10-12 hours a night, and a nap of 1-2 hours during the day.
- Children aged 3-5 years need 10-13 hours of sleep a night.
- Children aged 5-11 years need 9-11 hours of sleep a night.
- Teenagers generally need about 8-10 hours of sleep a night.

Adults? We need good sleep too and 8 hours a night is a good amount. Sleeping well helps us concentrate, cope with life's stressors, and more easily make plans and decisions.

Volunteering at St Johns

St John the Baptist School provides a safe environment for all while valuing the partnership between school and home.

As a Catholic community, we welcome and value volunteers. To be able to volunteer, and/or attend at other times throughout the school year, we ask that you hold a current Catholic Police Check (parents/caregivers attending excursions, reading in class, helping in class, attending community events), a current Responding to Risks of Harm, Abuse and Neglect in Education and Care for Volunteers certificate and have completed the volunteers application package.

A Catholic Police Check for volunteers is free for our current parents and caregivers. Application Forms are available in our school office.

This process ensures we maintain a child safe environment. To avoid disappointment, we encourage you to apply for a Catholic Police Check through the school office as soon as possible.

If you have any questions, please do not hesitate to contact us at the school office on 8218 3300 or email Julia Roy on jroy@stjohnpl.catholic.edu.au .

VOLUNTEER CLEARANCE RENEWALS

If you are due to renew your Working With Children Check and your Catholic Police Clearance this year, please note that there is a high volume of renewals due. To avoid disappointment it is advisable to do your renewal earlier as there is currently a delay in processing them.

Thank you for your anticipated support.

Bright Ideas

We value your insights and involvement in enhancing our school community. Please share any suggestions or ideas you have regarding school improvement. Your input is crucial in creating a positive and effective learning environment for our students.

Insights may be discussed at future School Advisory Board meetings or you may be contacted personally for further follow up!

Highway, Plympton will be undertaken from
Wednesday 16 October 2024 to late March
2025.

Demolition activities will occur between 7am to
6pm, Monday to Saturday.

Following demolition, this area will be used to
establish a site laydown area to store
construction materials, machinery and trucks
until the completion of the project. Access for
project vehicles and machinery to enter/exit the
site laydown area will be via Anzac Highway and
Lincoln Avenue, Plympton.

Once established, operational hours of the site
laydown area will be 7am to 6pm, Monday to
Saturday. However, it will also be operational at
night when required to support night works.
Advanced notice will be provided when work is
required at night.

How this affects you

The Marion Road and Anzac Highway intersection will continue to remain open to traffic and pedestrians at all times.

Access to adjacent properties will be maintained during these works. Some disturbances can be expected, however we will minimise these disruptions as much as possible.

The property at 286 – 288 Anzac Highway, Plympton historically operated as a service station. As such, we will be taking appropriate precautions when we remove and dispose of underground fuel tanks and the supporting petrol station infrastructure.

Prior to the completion of demolition, the excavated area will be filled and levelled to ground level. Please [refer to our Fact sheet - Demolition on our website](#) for further information.

What you need to do

There will be changes to traffic conditions to keep everyone safe. Intermittent speed and lane restrictions will be in place. Please follow traffic management directions and onsite signage.

Pedestrians and cyclists should take care when travelling through the area. For safety reasons there may be some restricted access. Signage will be in place to direct you to alternative access and/or detours.

Look no further than the Australian Girls Choir (AGC) because we encourage, challenge and inspire girls as they learn to sing, dance and perform. School aged girls are invited to come along to our November Open Day to try our fun and inclusive classes and learn more about being part of the AGC! Please visit our website to register to attend our free Open Day: ausgirlschoir.com.au/joinagc
