From the Leadership Team

Dear Families

Student Learning Reflection

As we approach the end of the year it is important to reflect upon what achievement looks like for each individual student. Each child is unique and so too will be their own highlights, challenges, and memories. What one child may have found challenging, may be a strength for another. For one child, their success could be an academic improvement in a subject they initially found difficult. For another student it may have been a social or emotional goal they have worked towards. It is important to remember that all these achievements are ones

that are to be celebrated. In addition to the learning opportunities in the classroom, what often makes the school year notable for students and their learning are the additional experiences from of their 'ordinary' day. These can range from incursions, Masses, guest performances, excursions, camps, sporting carnivals, choirs, clubs, special events and other extra-curriculum activities. Learning through these opportunities contributes to providing a deeply holistic environment for students to showcase and celebrate their successes. It is this combination of the day-to-day learning in classrooms and these experiences that make the school year a busy, yet memorable one. We are grateful and say thanks to the staff who every day, plan and provide these experiences in and out of the classroom.

Reports and Assessments

Over the coming weeks you will again receive information on your child's learning through the rubrics and assessments their teacher will post on Seesaw. These rubrics are evidence of individual achievements in different learning areas. They are constructed against the learning outcomes prescribed by the Australian Curriculum and provide information on what has been successfully achieved and information of areas for future growth. Following these rubrics, the end of year report will be distributed digitally via SEQTA Engage at the end of Week 8. Please ensure that you have followed the instructions previously sent out about downloading the SEQTA app for this to occur.

Volunteers Afternoon Tea

As a thank you to all our volunteers who have assisted in so many ways across the 2023 school year, we are again hosting an afternoon tea on Friday 1st December. If you have volunteered in any capacity, please feel free to come along to the St John the Baptist Centre (Hall) from 2:15pm and enjoy a treat, before heading to the Year 6 Christmas Markets. We look forward to seeing you there.

Christmas Markets

Once again, our Year 6 students will host a Christmas Market. This will occur on Friday 1st December from 3:00pm. The students are currently busily preparing for the afternoon which will see the children have on offer a range of items for sale to our school community. We look forward to a fun afternoon.

End of Year Thanksgiving Mass

Please join us as we celebrate the conclusion of the 2023 school year at the Thanksgiving End of Year Mass. This whole school celebration will occur on Friday 8th December at 11:45am in the St John the Baptist Church.

The Leadership Team

Catholic Identity

Advent

Next Sunday, 3rd December, marks the first week of the Advent season which lasts for four weeks (or four Sundays) before Christmas Day. This word 'Advent' has come from the Latin word 'adventus', meaning waiting, as we are waiting for the birth of Jesus Christ. This is why we have advent calendars, or light advent candles as we anticipate the coming of baby Jesus.

Vinnies Christmas Hamper Appeal

As we know, there are many families experiencing hardship and these gifts will provide them with much joy, especially this Christmas season. A big thank you to all for the generous contributions and donations towards this term's appeal. We greatly appreciate all your support.

St John the Baptist Awards

In previous years, we have given the Mary MacKillop Service award to students. This year we will be presenting our St John the Baptist Awards. The award is named after St John the Baptist, the patron saint of our school. He was a model of humility, who led others to Jesus, out of his deep love for God. Our Mary MacKillop awards for our Year 6 students will remain unchanged.

Our school is also bound by the Josephite Charism which has been inspired by the virtuous character and example of St Joseph who also led a life of service and care for others, out of love for God. Two students from each class will receive this award.

The candidates have had to demonstrate the following attributes throughout the year:

1. treats others with **compassion** and **respect**.
2. displays **service** in their care for others and the environment.
3. believes in the equality of opportunity.

4. possesses an ability to make good choices.
5. strives to do their best in all areas.

Thanksgiving/ End of Year Mass

With the year ending, we will come together as a community to celebrate this year. The whole school will have Mass at 11:45am on Friday 8th December in thanksgiving for 2023. It will also be an opportunity to congratulate the students who have been selected to receive the St John the Baptist Awards and the Year 6 students for the Mary MacKillop Award.

Graduation Liturgy

On Monday December 11th we will celebrate our graduates for 2023. The Year 6s will have their Graduation Liturgy in St John the Baptist Church at 6:00pm.

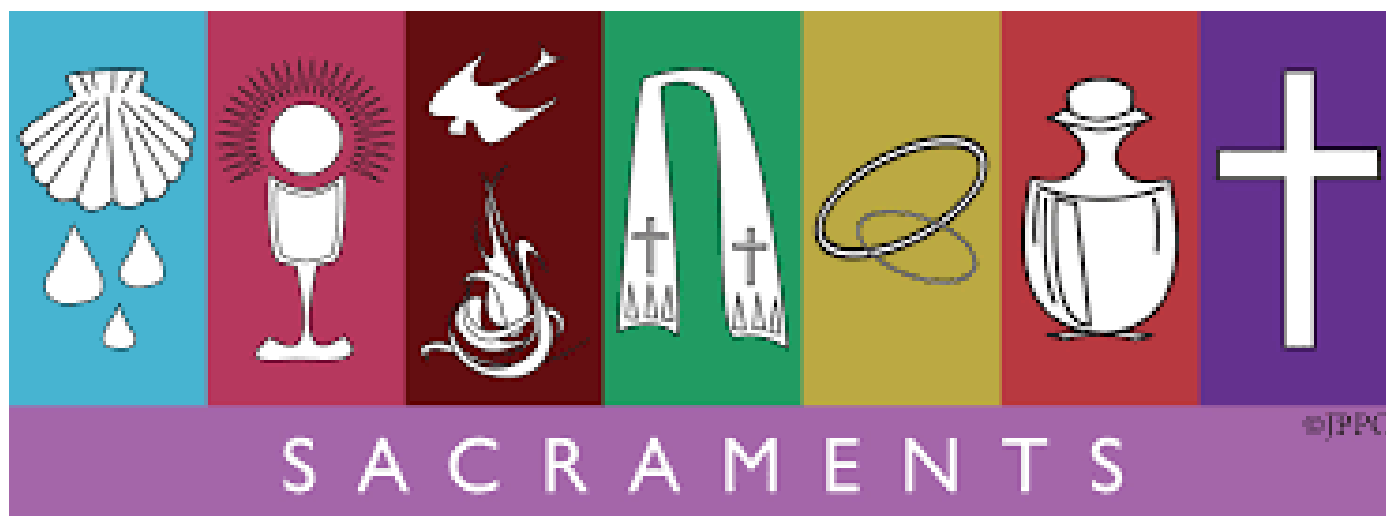

Sacramental Program 2024

If your child has received their Sacrament of Baptism and is eight years or older, they can receive the Sacraments of Confirmation and Holy Communion. The Sacraments are sacred actions of the Church which bring about encounters with God in people's lives. They are wonderful celebrations that bring individuals closer to God and to the community. If you would like to register your child to receive their Sacraments in 2024, enrolment forms are now available through this [link](#). Please send completed forms to the Parish or School Office. You can contact the parish at plymptonparish@stjohnpl.catholic.edu.au or 8293 6600 for more details.

PE Lessons - Basketball Clinics

The Sturt Sabres Basketball Club are conducting Basketball Clinics at St John the Baptist Catholic School this term. The Year 2 – Year 6 classes will have 4 sessions as part of their Physical Education lesson.

The photos below are of the 2 Year 6 classes - 6C and 6GR.

From the Library

In this the 20th Year of the Premier's Reading Challenge the Hon. Peter Malinauskas issued

an extra challenge to students to read 20 or more books. Forty-three of our students took up that challenge and received a special certificate. 291 students at St John's completed the 12 book challenge. Overall there were 68 certificates, and 223 medals given out.

Reading regularly is an important step in developing good literacy skills. It is the key to success at school and into the future. Books can take us to wonderful places. They help to shape our imagination, to be in touch with our emotions and they introduce us to characters who sometimes share our very own experiences. They gift us with many words, a rich vocabulary which we can draw on when speaking to our friends, parents, teachers and when we are asked to write our very own stories. They remind us how to live a good life and how to look after the world in which we live. They sometimes take us into the future so that we can imagine what things may be like in many years to come and they unite us with people all around the world.

Congratulations on another wonderful year of reading and being part of the South Australian Premier's Reading Challenge (PRC) in its 20th Year.

Special congratulations and awards were given to:

- Cash H (6GR) & Ava K (6C) who have completed 8 years of doing the Premier's Reading Challenge and have been awarded the HALL OF FAME CERTIFICATE.
- Albie C (2T) and Madeleine T (5HB) for persistence in achieving their reading goals efficiently to complete the challenge.
- Elwood H (4PR) and Caela L (6GR) – for reading a wide range of books by different authors to complete the challenge.
- Callan T (1SM) for reading the highest number of books (52) in completing the PRC.
- Year 3WD for being the class with the highest percentage (85%) of students who completed the challenge. (They received a special treat from their teachers.)

A very special thank you to all those in school and beyond who have encouraged, read to, listened to students reading, helped them decode and understand words and value the fabulous worlds that reading can take us into.

It is the students who choose to take up the challenges and staff and families who support them, who make the success of the challenge a reality.

Your OSHC.

A message from your Coordinator

Hello everyone! It's hard to believe we are halfway through the term already!

Firstly, I just wanted to share some of the experiences from over the previous Rocketeers period and the school term. What fun we have been having in the OSHC room and out on excursions!

In addition, I wanted to let parents know that over the pupil free days on the 14th and 15th of December the OSHC is open and taking bookings! Our bookings are also open for the 'Rocketeers' period over the Christmas school holidays and we have some super fun experiences lined up!

Lastly, I look forward to seeing all of the children over the rest of the term and cannot wait to hear about their plans for the holidays!

If you have any questions or queries please contact Tate by phone on [0405 436 293](tel:0405436293) or on email at sastjohnbaptist@oshccampaustralia.com.au

Register free and book in 24/7 via our app

To attend our program, you must register your child. You can register an account with us at pp.campaustralia.com.au or by downloading our Camp Australia smartphone app from the Apple App Store or on Google Play. Once registered, it's easy to make bookings and manage your account.

Volunteering at St Johns

St John the Baptist School provides a safe environment for all while valuing the partnership between school and home.

As a Catholic community, we welcome and value volunteers. To be able to volunteer, and/or attend at other times throughout the school year, we ask that you hold a current Catholic Police Check (parents/caregivers attending excursions, reading in class, helping in class, attending community events), a current Responding to Risks of Harm, Abuse and Neglect in Education and Care for Volunteers certificate, have completed the volunteers application package and your COVID vaccination certificate.

A Catholic Police Check for volunteers is free for our current parents and caregivers. Application Forms are available in our school office.

This process ensures we maintain a child safe environment. To avoid disappointment, we encourage you to apply for a Catholic Police Check through the school office as soon as possible.

If you have any questions, please do not hesitate to contact us at the school office on 8218 3300 or email Francis Schulz on
